

ARE YOU INTERESTED IN IMPROVING YOUR BONUS 20 % EVERY MONTH ???

**Good Morning,
Dear Member,**

Many of us do DXN Business in a casual manner and don't even bother to analyze our every month bonus statement properly in order to plan some measures to improve it further. DXN is your business and without proper plan you may not be able to proceed in any business. Hence it's high time that we need to sit, analyze and execute proper measures as how to improve your bonus 20 % every month. For all those who are interested to pursue DXN in a professional manner and also interested in improving their bonus 20 % every month, the time has come. We will be organizing separate seminars in Arabic and in English to give you clear strategies as how to improve your bonus every month. Successful leaders in the Middle East who are practically doing this will be sharing their strategies to the audience. The best way to set a plan for yourself is to learn from those who had achieved success after success through their well set plans and professional strategies.

We assure you that you will get amazed the way your business is getting transformed after listening to the strategies of these great speakers. Hence we request you to set aside all your activities and come and join us to learn as how to improve your bonus 20 % every month. Details of the events are as follows.
